Reindeer Chow Snack Mix

When reindeer fly on Christmas night,
They work up quite an appetite!
But Mrs. Claus knows what to do,
To feed them when the flight is through.
She mixes up some Reindeer Chow.
A secret only she knows how.

With something salty, something sweet,
It's Rudolph's favorite reindeer treat.
Back in her kitchen at the Pole,
She heaps it high in every bowl
To welcome her returning crew.
So here's a batch that's just for you!
